Kakapo: Greatest Hits - Etcetera Theatre

Reviewer & Rating	Review
Loes Jeurissen (5/5)	Brilliant and pure. Exactly the kind of (dark) humour we need nowadays. Hot topics and many referrals.
Karen Flaum (3/5)	A witty homage to Brit Pop plus a few revue sketches along the way. The cast were four girls whose voices confidently delivered parodies of well-known Brit Pop songs. An entertaining hour.
Natalie Haslam (5/5)	Laughed heartedly. Really worth going to.
Hilary Goldberg (4/5)	This is a sketch show with 4 women who are funny, original and whip smart. I loved it and hope they do more shows together.
